PALTRACK APPOINTS NEW SUPPORT REPRESENTATIVE IN TZANEEN

As from June 2011, Paltrack appointed a new Product Specialist in Tzaneen. Johan Nel will be strengthening our presence in the Northern Area with support from the Paltrack head office in Durbanville. He will eventually be implementing and supporting the full Paltrack product offering.

Johan previously worked as an IT Technician for a number of years. Even though Johan has only been with Paltrack for a short time and is going through a learning curve, he has already demonstrated his abilities, passion for the job and our customers. Johan is very professional when dealing with customers. He approaches his tasks with enthusiasm and is target driven.

It is with qualities like these, that we at Paltrack believe that Johan will go far and experience him as a true asset to our team.

*Johan Nel, Product Specialist,
Paltrack, Tzaneen*

About Paltrack:-

Paltrack (Pty) Ltd creates information technology solutions and provide these solutions to the fruit industry under license agreements. It is a wholly South African owned company with majority shareholder, the IMPERIAL group. Paltrack is the leading supplier of information systems and related services to the South African fruit export industry. A number of ancillary services have been established to compliment the software solutions. These services are mainly related to information provision and setting of standards to ease information exchange. See www.paltrack.co.za for more information.
